#### **DOCUMENTATION COMPONENTS**

The supplier shall warrant that they will provide all the necessary documents/manual in English Language relative to the equipment as follows:

- Owner/User Manual
- Operation Manual
- Maintenance Manual
- Spare Parts List

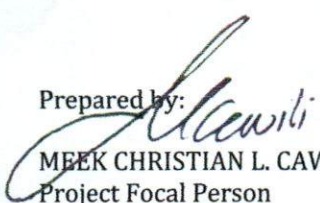

#### **WARRANTY COMPONENTS**

The supplier shall provide warranty for the equipment covering parts and technical services on the equipment and its accessories for a period of one (1) year from the date of installation and commissioning (as accepted by PCC evidenced by a Certificate of Final Acceptance issued by PCC). During the warranty period, the supplier shall replace defective parts or materials and or provide regular checkups, consultation and as needed, maintenance services for the equipment at no cost to PCC (i.e Off-site diagnosis agreement).

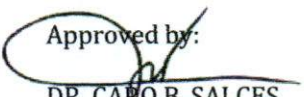

#### **AFTER SALES SERVICE**

Regardless of whether or not a maintenance agreement is entered into by the concerned parties after the expiration of the warranty period, the supplier should guarantee the **availability of spare parts and components of the aforementioned equipment** with the application of the **Off-site Diagnosis agreement** at least within the period of five (5) years from the date of acceptance of the equipment.
